"Toilet : Ek Prem Katha" Forging ahead with its dialogues and songs, Toilet - Ek Prem Katha is an attempt to establish itself as the second biggest katha film of the year after "Bahubali 2". Anupam Kher's latest outing also tries to establish himself as a leading actor with this comedy-drama. Like 'Bhootnath Returns' and 'Singh vs Kaur', this movie has Akshay Khanna in the lead role. The movie revolves around a king of Mirzapur who is suffering from cancer. He comes to Mumbai in search of his mother and in the process falls in love with a 'simple and sober' girl. Bhumi Pednekar plays the role of the girl who is a simple and shy girl, who struggles hard to build a toilet for her family. As mentioned earlier, Anupam Kher plays the role of Gattu Sachdeva, who gets engaged with his childhood friend at an early age. His childhood friend is also played by Bhumi Pednekar. He was last seen in 'Airlift' starring Akshay Kumar. While the trailer did a great job in grabbing eyeballs, this film is an attempt to get a handful of viewers in the theatre. After watching this film, you will have a very short moment to decide, whether it made it or not! What's This About?: Akshay Khanna plays a passionate Anglophile who falls in love with Bhumi Pednekar who is completely devoted to her aim of constructing one toilet out of the four in every Indian household. It's a period drama that takes us back into India's freedom struggle days and shows how some people still find it difficult to go to the loo because they practice open defecation.
